

Foresight News

June 2023

Dear Parents,

Summer is here and hopefully the windy weather is gone! We're looking forward to a beautiful Flagstaff summer. This month we will be discovering what we can do with S.T.E.A.M. and exploring nature and all of the peace it brings! Please see our summer brochure posted in the front room and the inside message board for specific events and activities.

Special Events

Start of our Summer Adventure!!
Thursday, June 1st 2023

Other News

Sunscreen:

Please remember to apply sunscreen on your child everyday. We will be spending more time outside in the summer. Waterproof, sweat proof, long lasting, 45+SPF like "Water Babies by Coppertone" is a recommended brand. Thank you!

Summer Substitutes:

We wanted to let everyone know that during the summer we will have all positions filled with full-time staff members, but many of them are going on vacations and will be taking

additional time off, but rest assured we have Miss Morghan, Miss Mercedes, Miss Jini, and other part-time staff, available to help out as needed.

Children's Appointments:

If your child is in Miss Jena's room and has an appointment, or just running really late, please do not bring them back between 12:00-2:00pm. It is very disruptive to the entire class of nappers and makes the teachers job difficult if child has not napped or had lunch. We appreciate your respect for all our friends!

Children's Shoes:

Sandals with straps are great, as are sneakers. Both are appropriate and reinforce the gross motor skills that your child needs to develop. Flip Flops do none of this and are not very safe on the playground when combined with running, jumping, and age-appropriate movement that children ages 2-6 like to participate in at school. **So, please save the flip flops for relaxing at home and week-ends.**

Enrollment:

August 1st will be the start of our fall classes for the year 2023-2024. Many enrolled families attend year-

round (June & July) which does not require you to do anything. Please know we do our very best to accommodate our current students' schedules, but that we have had a surge of new enrollment and must fill all available spots. Please refer to our registration policies for schedule priorities, and feel free to talk to Beth or Kori if you have any questions or special requests. Please fill out a withdrawal form if you know your child's last day.

Staff:

Miss Kylie will be leaving mid- June to return to the Valley so she can afford to finish school. It is a shame that on campus housing at NAU is more expensive than renting off campus, that is equally ridiculous... WE will miss her, but understand and support her on her educational goals. Jessica Chastain will be our new late day assistant in June and will be with us through the end of August. She actually is a former alum of Foresight and we are very happy to welcome her back 13 years later as an employee. She is a kind, loving individual and is very excited to work with young children for the summer.

Payment:

We accept checks, money orders, or cashier's checks. We will accept cash payments, but please give cash to Beth or Kori. Also, if you have questions regarding tuition, schedules,

payment, etc., either write a note to us, or request we call you. Thanks!!

Going Green:

Wash produce and save the water!

There's no reason we can't wash fruits and vegetables in a large bowl and save the runoff for watering the garden or lawn (or those little potted plants). The same thing can be done after boiling pasta or potatoes—just make sure the water is not salted!

Thank You so much!!!!

****All the amazing and thoughtful treats and gifts during teacher appreciation week. I don't remember a time that made each of us feel more valued and appreciated as educators!!**

****All our graduating students and families for making our job so rewarding! We wish you the best and please keep in touch!**

****Yeah!! To our amazing teachers and staff who give so much and help make Foresight so special!**

Have a Happy Month!

Beth, Kori, Mykaela, Jena, Angie, Morghan, Kylie, Brandalyn, and Jessica

Thought for the Month

Adopt the pace of nature; her secret is patience. -Ralph Waldo Emerson
